DRAMATIC CLUB SCORES HIT WITH NEW PRODUCTION

Comedy-Drama At Cen- terville Is Highly Praised

"For the Love of Johnny," a comedy-drama presented by the Centerville Dramatic Club in the Parish Hall Wednesday night proved a greater success than was even hoped for by the organization. While the hall was not packed, the attendance was estimated from between 250 to 300.

Visitors from practically every city in the township were seen in the audience. Applause was generous and not dependent upon the personal friends of the actors, but spontaneous.

The members of the dramatic club outdid themselves in this year's annual endeavor. So great was the success that it has been intimated that the play may be reproduced either at Centerville or in another nearby Washington township town.

It wouldn't do the club, or the members of the cast justice to state that any one member of the show carried off the honors. All were good. Frank Jones playing the part of Father Ryan, enacted the leading role, ably supported by Miss Irene Alameda as Ethel Banks, the leading lady, and other members of the show.

James Collins as the juvenile lead displayed qualities which placed him among the best. Miss Alice Sarmiento enacted the character role and performed above reproach regardless of the fact that she held a difficult position.

And the villain, John Andrade, need not take his hat off to any one. He was great. Then there were John Oliveira, William Lazarini, Marie White, and Clara.

(Continued on Page Four)

Gas Company Moves Into New Quarters

Moving day is in order at the local office of the Pacific Gas and Electric Company after Tuesday of next week the P. G. & E. will be located in the building next to the new Bank of Alameda County.

Stoves and other articles of display were being moved Wednesday. The office fixtures will be transferred the first of the week. George Donovan is manager of the Niles P. G. & E. office.

Mr. and Mrs. Tony Alves and daughter, Lucille, spent Sunday in Oakland. They saw the Graf Zeppelin.

Tracy—Central California Bean Growers' Association organized with headquarters located in this town.

Harry Keys Held Under \$1,000 Bond On Serious Charges

Harry Keys, 27, Third street, is being held in the Hayward jail in default of \$1,000 bail, on which he is held to face charges of attempted murder and assault with deadly weapons. Keys is alleged to have shot Dorland Mihills, his brother-in-law, Sunday evening in the Keys' home in Niles.

Mihills is in the General Hospital at Hayward suffering a bullet wound in his chest. His condition is not serious at present, according to attending physicians.

Keys was to have been arraigned before Judge J. A. Silva in the justice's court here Tuesday afternoon, but the complaint was filed in Hayward and will be heard there.

According to police the shooting took place Sunday evening about 6:30 o'clock during an alleged drinking bout. Keys is alleged to have fired six shots at his brother-in-law. But one of the bullets took effect, and that one only a glancing blow, in the opinion of medical men.

Mihills and Walter Dost, both of whom are residents of Marysville, were visiting at the Keys' home over the week-end. It is claimed that the three men consumed quantities of wine during the day, and that the quarrel was over family matters.

During the heated argument, Keys is alleged to have procured a revolver and fired at his brother-in-law.

Dr. John Adams was called to the Keys' home by neighbors. He called in Dr. E. C. Grau, at whose Emergency Hospital the wounded man was given first aid treatment and then taken to the Hayward institution.

Keys and Dost were arrested and taken to the Hayward prison. Dost was released after a night in jail, when it was shown that he had no part in the shooting fray. A formal complaint was signed by the wounded man on Monday.

The charges pending against Keys were continued until Mihills recovers sufficiently to appear in court against him.

THREE NEW CARS SOLD

Three new automobiles were sold during the past week by the Rose Garage, two were Chevrolets and the other a Studebaker.

The purchasers were Harvey Braun, of Niles, Chevrolet sedan; E. Pardi, Chevrolet coupe; and H. Askawa, Studebaker sedan.

Oakland—Plans discussed for converting Grand avenue into business district from Boardway to Piedmont line.

Change Made In Register Personnel

WITH THIS issue of The Township Register, Lloyd H. Rhodes takes over the duties formerly performed by Mrs. Gladys Williamson, who until recently was news editor of The Register.

The management of The Register wishes to thank the residents of the community for the cooperation shown Mrs. Williamson and asks that the same cooperation be shown Mr. Rhodes. All news items and personals should be telephoned or brought direct to The Register office.

Mrs. Williamson is now engaged in advertising work.

BANK'S NEW HOME TO BE READY FOR USE IN SEPTEMBER

Work on the new building to house the Niles branch of the Bank of Alameda County is progressing satisfactorily. It was stated by bank officials this week. Although the definite date for the taking over of the new quarters is not known, bank officials hope to be moved by the latter part of next month.

A. T. Leiter, who has the general contract, is pushing the work as rapidly as possible. The main banking counters have been installed and the vault is near completion. The huge steel doors of the vault have already been set in place.

The new banking quarters are to be a model of banking efficiency and will far surpass the present equipment.

NILES IS PROCLAIMED TO WORLD AT STATE FAIR

Much has been said about Alameda county as a whole "being on the map" at the state fair at Sacramento, opening Saturday, but every visitor to the celebration will know about Niles in particular the minute they enter the grounds.

The California Nursery company is furnishing the decorations for the main entrance to the state fair grounds. Although the size of advertising signs are restricted, neat and attractive posters proclaim to the world that the hundreds of blooming plants, shrubs and roses came from Niles.

A truck load of nursery stock was sent to Sacramento Wednesday afternoon and work on the display gotten under way immediately.

SCHOOL OPENS TUESDAY

Niles Grammar school will open Tuesday, September 3, with an estimated increased enrollment. With the start of the local school, practically all grammar schools in Washington Township will be in session. A number of the schools opened last Monday, and a smaller number began the previous week.

NEW PASTOR CALLED

Rev. Mr. Brinkmeyer has accepted the call to the Niles Congregational church, it was announced Sunday. Rev. Brinkmeyer will spend Saturday, Sunday, Monday and Tuesday at the parish home for the present.

Enrollment at Washington Union High School Reaches 400 Mark

Washington Union High school got under way for the fall term Monday, August 26, with an enrollment of approximately 400. The first morning was spent in arranging classes and in issuing assignments. Regular classes were conducted during the afternoon.

Prof. E. B. Hodges, principal, stated that he anticipates a total enrollment of 500 students within the next few weeks. He pointed out that because of the prune season being late this year, numerous pupils are still working, and that until this work is finished, the student body will not be complete.

A pleasing response has been made following the announcement of the night school program, Hodges added. This department will open next Tuesday evening. About a score of courses have

been offered for the night school. For each of the courses having ten or more students enrolled, an instructor will be appointed.

Student activities were started in a general way during the first week of school, under the direction of the Student association. Officers of the student organization for the current year are:

Frank Pimental, president; Elizabeth Shinn, vice president; Howard Overacker, treasurer; Mary Lucas, secretary; Milton Fournier, yell leader; and Arlene Oliveira, editor of the "Hatchet."

The complete roster of the faculty for the 1929-30 school year was announced as follows by Principal Hodges:

Miss S. Marie Sandholt, vice principal and mathematics; J. Ver-

AMERICAN LEGION'S NEW HOME NOW WELL UNDER WAY

Structure To Cost \$48,000
Will Be Ready About
December 1

CONCRETE in the basement and foundation of the new American Legion home on Second street was poured this week and the structural work will get under way the first of next week, according to Legion officials.

The building will cost approximately \$48,000, and will be completed within ninety to one hundred days. J. E. Branagh, Oakland, who has the general contract, has promised the Legion to push the work to completion. Vieux Bros., said to be the only Niles contractors to submit successful bids, will do the electrical work.

The new home will house Post No. 195 comprising Legionnaires from all parts of Washington Township. J. E. Dutra is commander. In addition to lodge rooms the structure will have an auditorium, recreation and club rooms.

DEMONSTRATION OF BATIK WORK MADE TO LIBRARY GUESTS

Members of the board and other interested persons were treated to a personal demonstration of batik work at the Jane R. Clough Memorial Free Library Friday evening, by Harry Green, whose display of designs was in the library last week.

Mr. Green was asked by the board members to address them on art subjects. After a general discussion, he did a bit of work upon material brought to the meeting by the board members and visitors.

During the two days which Mr. Green's batik work was on display in the library, approximately 200 persons visited the institution. Mr. Green is a native of Niles, the son of Mrs. Fred Mitte.

STAR BUYS RADIO

Merton Nelson, one of the star hurlers of the San Francisco Missions, purchased a Philco Console radio from Vieux Brothers, of Niles, this week. The instrument was installed Monday.

Mrs. L. D. Stone, of Los Angeles, is the house guest of her sister, Mrs. E. Martin. Mrs. Martin entertained with a bridge tea in Mrs. Stone's honor last week. Mrs. L. Duffy and Mrs. Robert Blacow, won the prize for highest score.

We print your job on time.

COUNTY OFFICIALS HEAR DISCUSSION OF NEW MOTOR ACT

Members Surveyor's Office
To Meet At Niles
Regularly

The new motor vehicle act was discussed at a luncheon meeting Friday by the members of County Surveyor George A. Posey's office, held at the Florence restaurant. There were 54 persons present.

Among the speakers were Mr. Posey, Charles Thomas, the surveyor's chief assistant, G. Gale, of the California State Automobile Association, William Moore, district manager of the C. S. A. A., George E. Sandford, general auditor of the association, Miss Chucholch, secretary to Posey, and Supervisor Ralph Richmond, of Niles.

Miss Chucholch spoke on the reports turned in by the members of the surveyor's office in connection with their work. Mr. Richmond spoke regarding the work of the Alameda County Good Roads Association, of which he is chairman.

The group plans to meet again at the Florence restaurant on September 27.

YACHTING PARTY AT S. F. HARBOR DAY GREATLY ENJOYED

San Francisco's Harbor Day last Thursday was termed a success by the Niles residents who personally participated in the event aboard the yacht, "Arequepa," as the guests of Mr. and Mrs. W. H. Ford.

The Arequepa took part in the marine parade which included the craft of the St. Francis Yacht club and the craft of the Pacific Fleet, then in harbor. Following the events on the bay, the Fords and their guests were entertained at the yacht club at dinner.

The guests included Mr. and Mrs. Oscar Walpert and daughter; Mrs. J. R. Whipple; Mrs. Dorothy Plummer; Mr. and Mrs. J. C. Shinn and daughters; Mr. and Mrs. F. V. Jones, J. E. Thane, and Dr. Percival Dolman.

Eagles Sponsor Drum Corp Benefit Dance

The Eagles lodge of Alvarado will sponsor a dance in the I. O. O. F. hall Saturday night for the purpose of procuring funds for the drum corp. The public is invited.

At last week's meeting of the lodge two new members were initiated. R. C. Golindo and W. Rodriguez are now members of the Alvarado F. O. E.

A SCIENTIFIC TRIUMPH

ONE WHO had not become excited over the safe arrival of the Graf Zeppelin on the shores of this continent, was an abnormal person—a person devoid of admiration for the fine qualities of heroism and totally lacking in the spirit of adventure into that world of things yet unrevealed or unaccomplished by man. But there are few such men or women either here or elsewhere in the civilized world. Truly the eyes of America were turned upon the western horizon, straining the vision to detect the first tiny speck in the sky that would electrify the world and proclaim everywhere Eckener the aerial conquerer of all skies, whether they form a canopy covering the desert wastes of Siberia or the desolate stretches of the Pacific or the storm-swept Atlantic.

*** **

The successful flight around the world by the German captain and his brave and methodically efficient crew is comparable in a degree to Columbus' discovery of America, that event of 1492, marking as it did the first voyage across the Atlantic, and dispelling the illusion that the world was flat, and that if a ship sailed far enough in one direction it would drop off this planet into a great abyss whose depths could not even be calculated by the wildest of imaginations.

Columbus sailed into the unknown without scientific aid to steer his course around impending storms. For months he was out of communication with every human being. His crew were taken from the prisons of Portugal and were rebellious through fear of the unknown.

*** **

The Graf Zeppelin was in constant touch with the world. Science had fathomed the approach of wind and electrical disturbance and these reports coming from the weather bureaus guided the giant dirigible around impending dangerous elements.

The triumph of the Graf Zeppelin, then, was a victory for science and for the splendid efficiency with which the Germans execute any enterprise.

It took great daring, even though backed by scientific knowledge that the voyage was possible. The thing had never yet been done. The Pacific had never before been spanned by air craft in a non-stop flight. A hundred things might easily have happened to have wrecked the mammoth "Flying Whale" and left but another aching void in the hearts of relatives and friends all over the world and in that vast expanse of water there would have been no stone to mark their watery grave.

*** **

The Graf Zeppelin won, and down into history its great captain and crew will go, and upon the scroll of fame their names will be recorded close to that of Christopher Columbus, whom the world recognizes and proclaims the great navigator of all times.

STAND BY KANSAS

A MAN who is spending the better part of twenty-four hours every working day attempting to make an honest living, can hardly comprehend the stir that is exciting official Washington—and its social parasites—upon the moot question of proper seating at the banquet table. It seems to be of great moment—far greater than solving multitudinous issues of intelligent government—whether the ambassador from Peru sits next to the epauletted gentlemen that run the army of these United States, or whether he basks under the smile of the corpulent lady who is kin to the man from Kansas, with Cherokee blood running hot in her veins, and in whose shining orbs the fire of the aborigine still smolders.

*** **

Yes, it is a powerfully big issue in Washington. Mrs. Gann started the racket, and Alice kept it up. Now Alice is a blue-blooder, and not as democratic in her way as her illustrious sire, the rough-riding Teddy. To have a dame coming out of uncouth Kansas with an idea in her stubborn head that she is some "punkins" herself, is just too amusing for a straight face. The effete East was at once in arms. Alice had a regiment

SUCCESSFUL GRID SEASON LOOMS AT PLEASANTON

Grid season at Amador Valley Joint Union High school opened last week with a preliminary practice. At the present time the majority of the team members are suffering from the usual ailments that accompany the strenuous exercises of the first part of the season—"charley horses" and "bull necks" but as yet there are no serious injuries.

Tentatively the team stands as follows: in the line—left end, Henry Vervas; left tackle, Lloyd Gomes; left guard, Charley Viada; center, Manuel Avilla; right guard, Frank Marino; right tackle, Tony Gomes; and right end, Julius Anselmo.

The backfield is composed of: Thomas George, quarterback; Bill Bottini, left half; Bud Kruse, right half; and Art Schinkel, full.

The squad now has thirty three members, and is not complete at that.

At a recent football meeting, Bud Cruze was elected captain, and Bill Bottini business manager.

The first game of the season will be played at Martinez on September 13, and the first home game with Livermore, the traditional rivals, on September 20. The squad is being coached in the absence of George Patterson by Parkinson, Modesto coach.

Montabellio—Cozy Nook Cafe opened under new management after being extensively remodeled and redecorated.

BLOODED STOCK IS ENTERED AT STOCKTON FAIR

Local Rancher Exhibits Ancient Wire-Binder At State Fair

Including the grand champion mare of last year's horse show, H. P. Mohr, Pleasanton stock raiser entered six draft horses in the San Joaquin County Fair and Horse Show in Stockton, last week. They were entered as a team. These six-giant English horses weigh in the neighborhood of two thousand pounds apiece, according to Mr. Mohr.

From Stockton the horses will be entered in the State Fair at Sacramento, August 31 to September 9.

In addition to this entry, Mr. Mohr will exhibit an 1876 W. A. Wood Wire Binder, one of the first, manufactured by the W. A. Wood Mowing and Reaping Machine company of New York. The machine went into disuse six years after its purchase, and is now considerable of a curiosity in farming circles.

Mr. Mohr reports that his harvesting was finished last week, with a poor crop in barley and wheat, ascribed to the dry season.

MARKET HEAD ASKS GRAPE COOPERATION

GROWERS URGED NOT TO SELL AT LOW PRICES AS GOV'T LOANS \$9,000,000

Vineyardists of Livermore Valley are enthusiastic over the announcement of the Federal Farm Board declaring that \$9,000,000 will be made available this year for the handling of the grape crop, according to Lloyd S. Tenny, president of the Federal Fruit Stabilization corporation. The corporation will probably share in the handling of the funds with the Sun-Maid Growers, in the opinion of Tenny.

Tenny warns growers, particularly those with raisin grape crops, to avoid selling at low prices and to cooperate to the fullest extent with the corporation. He also declared that this is important as there is no time this year to work out details necessary to make the corporation an effective organization such as was its purpose at the time it was formed.

In his statement Tenny said: The Federal Farm Bureau has been exceedingly generous with the grape industry of California. They have found themselves unable, however, within the time available for handling this year's crop, which is already upon us, to work out the complicated financial operations with local and Federal banks along the comprehensive lines proposed.

Under the present program the Stabilization corporation has been given assistance for handling the grape industry and all raisin problems have been turned over to the Sun-Maid Raisin association. No contract for the purchase of raisins will be execution this year by the Stabilization corporation. The Farm board still has under consideration the question of by-product operation, and it is expected that it will act favorably in this third angle of the problem.

Fortunately, we are in a most favorable position, statistically, at the present moment. The crop is short, and there will be no carry-over at the end of the season. No grape grower in California should become panicky or sell his grapes or raisins at ruinously low prices. Because of the actual shortage of raisins during the coming year, every grape grower who can should unquestionably put the grapes on trays.

Those who ship raisin varieties fresh should certainly not make cash sales at present at prices under those proposed originally by the Stabilization corporation. The growers undoubtedly understand that in order to realize the greatest return for themselves they should, particularly in the fresh field, fully support the task of the Stabilization corporation in co-ordinating the distribution of their products.

Automobile Deaths Show Big Increase

An increase of 5.8 per cent in motor vehicle fatalities in the state were recorded during the first six months of this year, as compared to the same period in 1928, statistics just compiled revealed.

The approximate total of such deaths was placed at 13,300. At the present rate of increase, according to the California Automobile Association, 1929 will turn in a final death list of over 29,000.

The Register for job printing.

ALAMEDA-LEWIS NUPTIALS SUNDAY

Frank Rodger Lewis, formerly of Pleasanton will marry Miss Agnes Elaine Alameda, September 1, it was announced recently. Mr. Lewis, well known here, was employed for a time in the Mutual store, from these he went to the Saunders establishment in Hayward. He is at present working for that firm in Berkeley and after his marriage will take a position in their branch in Redwood City. Miss Alameda, the daughter of

Mrs. Mary Alameda, is a resident of Niles and a student at Washington Union High school.

The marriage will take place in the Corpus Christi church in Niles at 8 o'clock p. m. Little Everett Alameda will serve as ring bearer.

GRAIN STOLEN

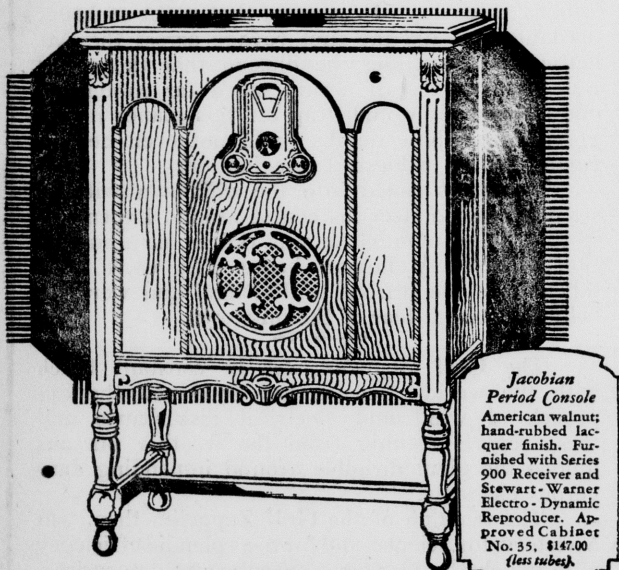

Ten sacks of grain were stolen from Hendrick's fields near Pleasanton Wednesday night, according to Al Vervas, town constable.

Maryville—Plans discussed for erection of church and apartment-hotel building on Presbyterian church property at cost of \$250,000.

Personal Items

Mr. and Mrs. Hirst are presumed by their friends to have arrived safely in Manila where they will be located for the next three years. They sailed August 16 aboard the President Taft. While here they visited Mr. and Mrs. A. B. Hirsch for six weeks.

Velois Fournier, who for the past six months has been a student at a business college, has accepted a position with the Bank of Italy in Oakland.

Mrs. N. Franklin Hawes, Miss Hazel Kell, Mrs. J. Millard and Harold Millard spent the week in Capitola.

Mrs. C. E. Fournier was called to Sacramento last week by the death of her brother-in-law, H. M. Fields. She was accompanied by her son, Lloyd, and Mrs. J. A. Zwissig.

Mrs. Ralph Platt, daughter of Mr. and Mrs. A. A. Hatch, and Mrs. James Patterson, Mr. Hatch's sister, are expected to arrive in Niles Saturday from Los Angeles, for a visit with the Hatches.

Harry Green, son of Mrs. Fred Mitte, will leave September 5 for Galt where he is an instructor in the high school. Mr. Green last week had on display in the Jane R. Clough Memorial Free Library, a group of his batik designs, which were viewed by many of Washington Township's residents.

Friends of Victor Cattaneo will be pleased to learn that he has practically recovered from his recent serious illness. He was treated by Dr. E. C. Grau in the General hospital.

M. A. Oliver of the Niles garage, suffered a severe laceration of the index finger on his right hand Saturday while cranking an automobile. Mr. Oliver's hand caught on the license plate. Dr. E. C. Grau dressed the injury.

Mr. and Mrs. M. A. Murray have returned from a two weeks' vacation spent in the mountains of Plumas county. Mrs. Murray resumed her work as librarian in the Jane R. Clough Memorial Free Library Monday.

Mr. and Mrs. P. Kallas, of Pittsburg, spent Sunday with Mrs. Enos and other relatives in Niles. Mrs. Paul Knudson returned to Pittsburg with Mrs. Kallas for a week's visit.

Mr. and Mrs. J. A. Ferry spent Sunday in Oakland. They were visiting the Oakland airport when the Graf Zeppelin arrived and obtained a good view of the huge craft.

GAS COMPANY ASKS PLEASANTON GRANT

LINE TO INCLUDE ALL THE SURROUNDING TOWNS SAYS ATTORNEY

Matter Has Been Agitated For Many Years—Would Be First Action Ever Taken. To Meet Board August 26.

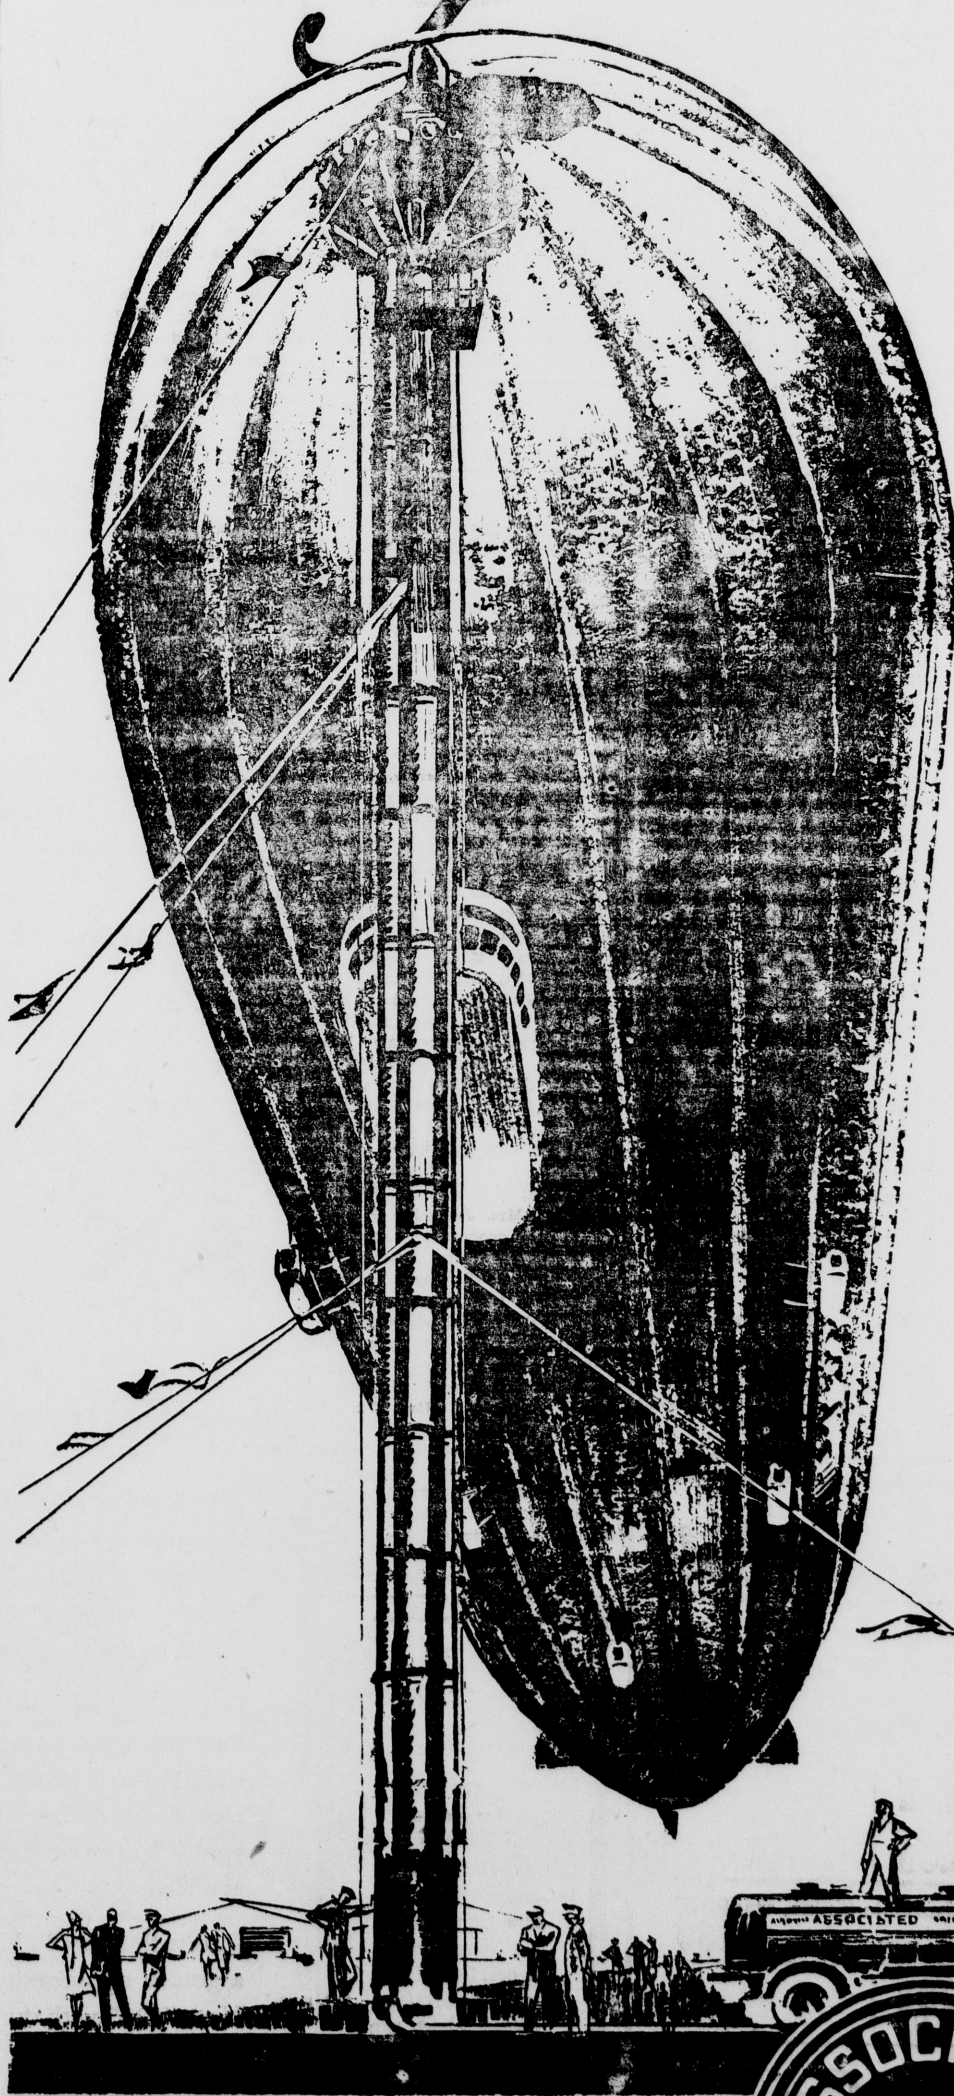

Natural gas for Pleasanton and surrounding communities may cease to be a dream and become a reality if plans now projected are carried out. The Consumer's Gas company, represented by Edward Schary, a San Francisco attorney, has announced intention of filing a request for a franchise for running a pipe line into Pleasanton. According to Schary, the company has already received franchises from several towns on the west side of the San Joaquin valley, along which the line will run from Kettleman hills to Patterson, across to Livermore, and into Pleasanton, serving also Dublin and Sunol.

Schary intends to file his petition at the next regular meeting at which time the matter will be considered.

CENTERVILLE REGISTER

CENTERVILLE CALENDAR

(The Township Register in anxious to be of real service to its subscribers in Centerville. We shall be glad to publish all announcements, reports, etc., sent in to us or given to our representatives.)

August 29—Welfare Ship Card Party at Memorial Hall.
August 31—September 9—State Fair and Western Exposition, Sacramento.
Sept. 1—Presbyterian church resumes services.
September 2—Fall luncheon of Country Club.
Sept. 8, 9, 10—N. S. G. W., N. D. G. W., celebration, "Santa Cruz."
Sept. 3—Night school opens.

NATIVE DAUGHTERS PARADE

Betsy Ross Parlor, Native Daughters will march in costume at the Mission Day celebration in Santa Cruz Monday, September 9. Approximately twelve members of the Centerville chapter will take part in the program.

A cup was won by the Betsy Ross parlor last year, and the members are pointing themselves to repeat.

Miss Alice Sarmiento of the Centerville Bank of Italy, and Miss Mazie Moore of the Hayward Bank of Italy, will leave this week-end on a two week's vacation. They will go by train to Portland, Seattle, Vancouver and Victoria and return by boat.

Miss Alice Simas of the P. C. Hansen Lumber Company has returned from her vacation spent at Santa Cruz.

Mrs. Robert Braden entertained friends from Campbell this week.

STORES CLOSE LABOR DAY

Practically all stores in Washington Township will close Labor Day, a survey this week by The Township Register, revealed. A few of the stores, principally groceries and bakeries, will remain open until noon. All banks will be closed.

Mr. and Mrs. Chadbourne returned early in the week from Lake Tahoe. They found the weather delightful and enjoyed their stay very much.

Mrs. E. T. Chadbourne who is on a two week's trip to Alaska, writes that she is enjoying it very much and was not at all seasick.

Many hundreds listened to the radio as it recorded the approach of the Zeppelin, Sunday evening, and many obtained a glimpse of the wonderful and immense airship from our little town as she left San Francisco and turned south.

Bishop Parsons Will Preach At Centerville

The Right Reverend Edward L. Parsons, D. D., Bishop of California, will visit Centerville on Sunday, September 8, and will preach in St. James' church on that date at 11 a. m.

Mrs. Mary Rodrigues and son, Bill, have returned from a week's stay with relatives at Hanford.

Manuel Freitas of Central Ave., is spending a month visiting friends and relatives at San Juan.

Floyd Parks and wife are expected back the first of next week from their vacation in the mountains around Santa Cruz. Mrs. M. J. Souza is in charge of the Park's store while Mr. Parks is absent.

William Furtado of Berkeley, formerly a resident of Centerville, is planning on returning here to make his home, friends have been informed. Mr. Furtado will build his own home prior to his return.

F. F. Botelho and family have returned from a two week's vacation spent at Richardson Springs.

F. T. Dusterberry, manager of the Centerville branch of the Bank of Italy will return from his vacation next Tuesday.

Mrs. E. Hayes visited friends in Santa Cruz on Saturday.

TORNADO FAILS TO KNOCKOUT NEW FORD SEDAN

An interesting bit of news was received this week by Doehner and Galbraith, Ford dealers in Washington township—and it will be of interest to every owner of a new Ford car.

According to C. H. Waterbury of Doehner & Galbraith, information has reached him that a Model A Ford owned by J. H. Taylor of Wayne, Ark., suffered the brunt of a tornado and was none the worse for wear.

The Ford, a standard sedan, was housed in a barn when the storm struck. The falling timbers forced the wheels of the car into the ground to the hubs. The steel frame, however, was not crushed, and after digging the wheels free, it was driven away under its own power.

Three cars were sold this past week by the Centerville concern, two passenger cars and one truck. Ralph Gutierrez of Alvarado, purchased a sport roadster; John Noll of Irvington, a standard coupe; and the Nelson Ice Company of Niles the truck.

The ice company is having a body built on their new truck to fit their business requirements.

School Bids Will Be Opened Next Week

Bids for the proposed four-room addition to the grammar school in Centerville will be opened Wednesday, September 4, it was announced this week.

The structure will house the primary grades of the school. Upon its completion the grammar school will contain ten rooms. The estimated cost of the new building is \$12,000.

MORE ON DRAMATIC CLUB

(Continued from Page 3.)

ence Soito to complete the cast, all of whom, without exception gave a performance above reproach.

In listing the members of the cast the identity of the "stranger" is not revealed in that it furnishes one of the surprises of the play and if it is given again would not be fair to those who will witness it then.

The cast:
Frank Jones as Father Ryan.
James Collins as John Banks.
Irene Alameda as Ethel Banks.
Alice Sarmiento as Harriet Banks.

John Oliveira as Jerry Banks.
William Lazzarini as Phillip Osborne.

Marie White as Dorothy Banks.
John Andrade as Dick Wayburn.

Clarence Soito as John Turkey-legs.

Frank Jones directed the production of the play with the assistance of Elsie Madruga.

Taft—Coalinga road to be improved across Kettleman plains in Kings county.

Stockton—Santa Fe Railroad Company to erect bridge over San Joaquin river near here.

Local Brevities

A group of Centerville young men will spend the week end at Yosemite Park. The party will include E. Pimentel, Leon and Laverne Mendoca and Frank Perry. They will make the trip by motor.

Duffy Lewis, state motorcycle officer, has returned from a two week's vacation spent in the mountains. He resumed his patrol duty Monday.

C. H. Waterbury spent the week-end visiting friends in Santa Cruz.

The Excelsior Bakery will be one of the few firms to remain open until noon Labor Day. This bakery will make no deliveries that day, however.

The Fairs have returned from their eastern trip. Mr. Fair is still unable to be around.

Allen Bonner and Mrs. Thomas Bonnar were in town on Sunday.

Mr. and Mrs. Clarence Overacker of Palo Alto, were guests of relatives on Sunday.

Mrs. V. Ames went to Oakland on Friday expecting to have her tonsils removed. Her throat was in such a bad condition that she is returning home for another week.

A number of our ladies attended a luncheon given by Mrs. C. S. Haley, of Newark, on Thursday.

Mrs. B. Hawley spent a few days in Oakland this week.

PRIZE WINNING BIRDS SHOWN BY HAYWARD FIRM

There are on display this week in the show windows of the Central Laboratories at Hayward, several prize winning pigeons, the property of O. B. Hunt. Mr. Hunt's birds are a Magpie, Strasser and Clean Leg Tumbler. The ribbons won by them at the Stockton and Hayward fairs are arranged with the birds.

Besides being a feed chemist and poultryman's druggist, Mr. Hunt goes in for raising prize stock. For years his White Plymouth Rocks were winners at the principal shows.

Mr. Hunt is secretary of the Hayward Winter Poultry Show and at present is working on plans for the second annual event to be held Thanksgiving week. He was for two years secretary of the Oakland show.

Poultry and pigeon owners have been invited by Mr. Hunt to bring their problems of management to him or his fieldman, Mr. Roberts for advice. Either Mr. Hunt or Mr. Roberts will make special visits to flock owners in this district upon request.

PERSONAL NEWS

Dorothy Theobald, newspaper representative of Alameda and Oakland, was a business visitor in Niles Tuesday. She spent the evening with Mr. and Mrs. Norman Parks of the Township Register.

Mr. and Mrs. R. Bendel and children have returned to their home at Pablico after a vacation spent in and around Santa Cruz.

Roy G. Waggener of Oakland, was a business visitor in Niles Tuesday. Mr. Waggener is a representative of Foster & Kleiser Company of Oakland.

Mrs. Richard Jelleff, formerly Miss Madelin Moore, and son, Richard, Jr., are spending a few weeks with her parents, Mr. and Mrs. P. H. Moore. Mr. Jelleff is in Washington where he is engaged in business with his uncle. Mrs. Jelleff plans to join her husband early in September. She is planning on flying east as far as Chicago.

Mr. and Mrs. Robert Fisher, the parents of Mrs. Clarence Martinstein, are expected to return in the near future from their European trip. Relatives and friends have received cards and messages from the Fishers from England and Wales.

Mrs. H. R. Hunt and Mrs. Waldner and children spent a day recently in Golden Gate park, in San Francisco.

NEW RADIO STORE WILL OPEN ITS DOORS SATURDAY

Novel Designing Makes
Sales Room Very
Attractive

Niles' newest business, the Blacow and Sullivan Radio Shoppe, will open for business Saturday of this week, according to the present plans of the partners. The shoppe will handle a complete line of Majestic, Atwater Kent and Apex radios, and a full contingent of accessories.

The new radio shop is located on Main street in the Niles Theater building. The show rooms are unique in their Spanish effects. The interior of the store appears more as that of a well furnished home than a mercantile establishment.

The counter is an artistic piece of design. It affects to be the balustrade of the portico; the display room as the porch itself; and the demonstration quarters remind one of a luxurious living room.

In carrying the complete line of Atwater Kent, Apex and Majestic radios, Blacow and Sullivan will be able to cater to every class of trade.

The Niles store will be the second, in the district, operated by Blacow and Sullivan, who were reared in Washington township. Their other store is in Irvington.

The Register for better printing.

THE WEATHER MAN SAYS

August 30, 31—A deep depression over British Columbia will usher in September and cause cloudiness and consequent decrease in heat throughout California.

Graf Zeppelin Passes Near Local Points

There was a general exodus from Washington township Sunday to Oakland and San Francisco by the air-minded citizens of the community who wished a close view of the famous Graf Zeppelin, now enroute from Los Angeles to Lakehurst, N. J., on the last leg of its epochal 'round the world flight.

Those who trekked to the northern cities were more fortunate only in the fact that they obtained a closer view of the huge airliner. The Graf was plainly visible from the greater portion of Washington Township as it pointed its nose southward toward Los Angeles Sunday evening at dusk.

Township Register for commercial printing.

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.

Less than eight months have elapsed since the first Chevrolet Six was delivered to an owner—and already there are more than a million six-cylinder Chevrolets on the road! And the reasons for this overwhelming success are easy to understand.

Into a price field that had hitherto been occupied exclusively by four-cylinder cars—Chevrolet has introduced a six-cylinder car of amazing quality and value. Not only does it offer the smooth, quiet, velvety performance of a great six-cylinder valve-in-head motor—but, from every standpoint, it

is a finer automobile than was ever before thought possible at such low prices! Its beautiful new bodies—which are available in a variety of colors—represent one of Fisher's greatest style triumphs. And its safety and handling ease are so outstanding that it's a sheer delight to sit at the wheel and drive.

You owe it to yourself, as a careful buyer, to see and drive this car. For it gives you every advantage of a fine six-cylinder car in the price range of the four and with economy of better than 20 miles to the gallon! Come in today!

SMALLER TELEPHONE DIRECTORY PLANNED

NEW ISSUE FOR ALAMEDA COUNTY PROMISED FOR NOVEMBER FIRST

Volume Will Be Much Lighter in Weight As Other Bay Cities Are To Be Eliminated; To Issue 4,000 Copies.

Preliminary steps in the compilation of a telephone directory for Alameda county are now under way, according to John Robinson, county manager for the Pacific Telephone and Telegraph company. Present plans indicate delivery of the directory will be undertaken about November 1.

"Approximately 4,000 copies of the new directory will be issued," Robinson said. It will contain alphabetical listings of all subscribers in Alameda county. The volume will be much lighter in weight due to the elimination of listings for other bay cities.

Listings of all telephone subscribers in Alameda county will continue to appear in the "Other Cities and Towns" section of the Bay counties directories, it was said.

A Buyer's Guide section will be included in the directory listing most business concerns of the county.

Mrs. Gladys Noce of Sutter Creek spent the week at the home of her sister, Mrs. M. L. Fournier.

Safety Rules Are Shown As Just Ordinary Common Sense

As a contribution towards greater safety and more pleasant driving conditions on the highways of the country this summer, the twelve rules as suggestions to Ford Motor Company has listed motorists and has distributed them to dealers over the country.

Announcement of the suggestions was made today by Dohner and Galbraith, Inc., Ford dealers in this city, who are displaying the list prominently in their place of business.

"These rules," said C. H. Waterbury, manager, "are merely common sense as applied to automobile driving. Every experienced motorist knows all of them. It is our hope, however, that by stating them concisely and posting them where they will come to the attention of a great many motorists, we can so emphasize them as to make a real contribution towards greater highway safety."

The twelve rules are:

1—Courtesy comes first. Consider the rights and privileges of others.

2—Keep your mind on your driving, and anticipate sudden emergencies.

3—Learn the "feel" of having your car under control.

4—Obey all traffic and parking regulations.

5—Keep to the right, and comply with road markings and signs.

6—Signal for stops and turns. Watch the car ahead.

7—Slow down at crossings, schools, dangerous places.

8—Never pass cars on hills, curves, crossings.

9—Adapt your driving to road conditions—rain, ice, soft spots and ruts.

10—It doesn't pay to take the "right-of-way" too seriously.

11—When you drive, remember the times when you're a pedestrian.

12—Know the law. It was passed for your protection.

"It is estimated that 20,000,000 persons are touring American highways this summer," Mr. Waterbury continued. "Recognition of the rights of others are essential. Many unpleasantnesses and accidents can be avoided if motorists, at times of close situations, will recall these rules and act accordingly. They are the recommendations of the Ford Motor Company offered to give greater peace of mind to those who travel by automobile."

ALVARADO MATRON IS HONORED WITH BRIDGE LUNCHEON

Mrs. Ernest Martin attended the Bridge luncheon at the Hotel Alameda, given by Mrs. Earl Hellwig, of Alvarado, in honor of her mother, Mrs. Kidd, who is spending the summer with her daughter. After lunch, the guests gathered around the bridge tables in the beautiful Chinese room of the hotel, where an enjoyable afternoon was spent by all.

Among those present were Pauline Ada Hause, worthy grand ma-

tron, and Willa Jane Hellwig, grand conductress of the Grand Chapter, State of California, Order of the Eastern Star.

Mrs. E. A. Ellsworth entertained with a bridge supper last week, serving supper in the grape arbor. With their beautiful flower garden a mass of bloom, it was, indeed, a lovely setting for this enjoyable affair.

Editorial Comment

By NORMAN H. PARKS, Publisher Register

(Continued From Page One)

behind her to hold the breast-works of social etiquette. The capital teemed and stewed. At last the learned secretary of state was drawn unwittingly into the ridiculous fracas and upheld the official arm—an arm not to be scoffed at—of the official hostess of Vice President Curtis. The lady has a powerful arm and a plump one. It probably has a punch like the kick of a mule. Alice took the count. The rough ways of the west were altogether too much for this wall-flower of Newport. Yes, that's what we mean—wallflower. Gann put her on the wall and flattened her out.

The whole thing was very hard for us to understand. If we were seated at the table with plenty to eat, darn where we sat. We fellows down near the bottom of the social ladder don't care so much where we eat—the main thing is to have the chow. If we can do that we feel, after all, life is not so bad.

Well, if we cannot quite comprehend the feelings that surge through the bosoms of Alice and Gann when they sit wrong at the big feed and talk-fest and have to look cross-eyed at Sir Esme Howard, ranking diplomat on the Potomac, no one can expect us to fathom the mental ticking in the brain of the dollar patriots who have rushed to the national capital to make the Hoover administration a boomer. Now come these gentlemen, who have given up great big jobs with great big pay to work for Uncle Sam at one dollar a year, and say that they, too, don't get "sat" right when the ginger ale flows and the jelly rolls. They have told the President that they must have "recognition." In other words, they must have a seat closer to the throne. They yearn to bask in the effulgent glory that radiates only close up to the head of the banquet table. If this is denied them, it is hinted that they will go back to Chicago and Cincinnati and resume the prosaic task of building sky-scrapers or bossing the blasting crew in a steel mill.

So President Hoover doesn't know just what to do. No wonder! It must be simply awful. The best of his legal minds are appalled at the dilemma. The papers of Washington print little else. Each side is like a hostile army camp. Hate stalks through the streets. Bad as conditions now are, even worse things impend.

The Township Register demands that martial law be proclaimed throughout the District of Columbia to avoid a serious outbreak.

The rights of Kansas and the dollar patriots must and will be maintained!

AUTO SUPPLY FIRM CONTINUES NEW PATRON PLAN

The semi-annual "New Customer" tire sale is now in progress in all Western Auto Supply stores. It was announced today by L. Overhulser, manager of the Hayward store.

In making this announcement, Overhulser stated that the present prices are the lowest in the company's history and offer the greatest tire values, dollar for dollar, of any tire ever sold by the Western Auto stores.

"Our liberal 'New Customer' tire sale occurs but twice each year, spring and early fall," says manager Overhulser. "As an incentive to the thousands of newcomers in the West to acquaint themselves with the high quality, dependability and economy of our tires, the prices have been materially reduced for this event. We want those car owners to learn as hundreds of thousands of other western car owners have learned from pleasant experience that Western Giant and Wearwell tires, plus Western Auto service, give them just the tire values they want."

"Last year more than half a million Western Giant and Wearwell tires were sold by our company. These same popular makes of tires are offered in this timely sale. They are of new, fresh stock and backed by our guarantee of satisfaction for the life of the tire and by our 'Customer is always Right' policy."

"This sale should be welcomed by autoists, particularly at this season, as it comes just in time to economically replace tires worn thin by vacation touring. These old tires can be traded in as part payment on new, fully guaranteed Western Auto tires."

Elks Entertainment Certain of Success

Alameda Elks will entertain their brother "Bills" from Washington Township, Friday evening, with a dance and drama at the Garden of Allah, near Niles. A hundred per cent turnout of the local B. P. O. E. members is the goal sought for the affair.

The evening will be devoted to dancing until the arrival of the cast of the play produced by the Alameda Elks. The actors are to enact their drama at Livermore earlier in the evening, and upon their arrival at the Garden of Allah, will reproduce it for the benefit of their guests.

The proceeds of the Alameda Elks' play will be used for the benefit of the veterans' hospital.

Complete Program For C. of C. Meeting

Arrangements are being completed for the first fall meeting of the Niles Chamber of Commerce to be held September 3, at the Florence restaurant, according to Harvey Braun, president.

A hundred per cent turnout for the session is the goal set by those in charge. It is possible that the civic program for the fall will be announced at this meeting.

Numerous possibilities for community improvement have been proposed and when these are in shape for definite action the proposals will be submitted to the members.

"Stock fire insurance companies stand as indispensable coadjutors of all other forms of business, providing protection without which business credit would be fatally restricted or impaired, and industry and trade would speedily be reduced to little more than barter." —President Bulkey of National Board of Fire Underwriters.

Mr. Clement Donovan has returned from a two weeks visit in Los Angeles.

"Come on dad,
mother is ready!"

Plenty of hot water the instant you want it, saves your time for pleasure

Quickly mother's hands finish the housework. She saves countless minutes by having plenty of hot water without bother or waiting. Each week she has 4 to 6 hours more time for motoring or other pleasures.

You can have plenty of hot water day and night. It costs less than one-fifth of a cent per gallon—the lowest cost of any method for heating water in the home.

Details on replacing your old water heater with a new automatic gas water heater can be obtained at a dealer's store or by telephoning our local office.

There is no need of watching the automatic gas water heater.

Authorities predict for the Future what DODGE BROTHERS OFFER TODAY

"The all-metal seamless body is the auto body of the future," George J. Mercer, consulting body engineer and chairman of the body division of the Society of Automotive Engineers, predicted at a meeting of the Cleveland Section of the S. A. E.—*Automotive Daily News*, February 12, 1929.

In the exclusive Mono-piece Body of the new Dodge Brothers Six, you find the identical type of design and construction to which leading automotive engineers point as "the body of the future."

Literally one-piece, the Mono-piece Body is positive proof against squeaks and rattles.

Even after thousands of miles of hardest usage it remains as tight, as firm and as noiseless as when new.

Providing an abundance of room with a new degree of grace, the Mono-piece Body is stylishly trim. Doors and windows are wide.

In fact, the Mono-piece Body, in every way, stamps the new Dodge Brothers Six as the herald of a new era of greater beauty, greater comfort and even greater dependability in motor car design and construction.

JOAQUIN FREITAS IS DEAD; LEAVES WIFE AND FAMILY

Well Known Rancher Dies Suddenly From Rare Disease; Was 44

Joaquin Freitas, 44, for twenty five years a resident of the Pleasanton district and widely known in Alameda county, died suddenly early last Wednesday morning from neuralgia of the stomach, a rare malady here. He had been working at Castlewood Country Club for the past few months living near Santa Rita, where he leaves a widow and three children. The oldest girl at the present time is in Del Valle sanatorium.

Services were held at St. Augustine church last Friday at 10 o'clock. Interment was made at St. Augustine cemetery.

ALBERT KOOPMAN, OLD INHABITANT, DIES AT AGE OF 69

Albert Koopman, 69, resident of Amador Valley most of his life, died last Thursday morning at 11:20 in Peralta hospital in Oakland. He is survived by a widow, Mrs. Bina Koopman, and by four sons and two daughters. Mrs. Koopman is at present staying with one of the daughters, Mrs. Bert Moore of Oakland. The other children are living in the neighborhood of Pleasanton now.

Services were held at True-man's undertaking parlors in Oakland last Saturday at 3:30 p. m. The body was cremated in the California Crematory in Oakland.

Motorists could save themselves annoyance and expense by getting over their habit of procrastinating in the matter of taking the punctured tire to the repair shop. Observation reveals that the car owner who has been forced to change a tire by the roadside too often regards his work as done when he puts the punctured tire back on the carrier. The job is truly finished only when the puncture is fixed and the tire again ready for use.

Irvington Register

Mrs. Heller entertained at a bridge party last Wednesday. There were fourteen guests. A pleasant time was had by all present.

Mrs. Hirst and husband sailed from San Francisco, for their home in Manila. They have been visiting Mr. and Mrs. A. Hirsch.

O. N. Hirsch returned Thursday from a vacation at Lake Tahoe.

Mrs. Colby is visiting Mrs. Sturman this week.

Mr. and Mrs. Scott and daughter, of Richmond, returned from a trip through Canada and the east, and visited Mrs. Heller.

Miss Florence Benick has returned from a few days visit in Oakland.

Mrs. Mildred Durham has returned from a three weeks' vacation.

The Rebecca members gave a shower for Mrs. Costa last week. She is to be married soon.

SEVERAL HURT IN TRUCK CRASH WITH CAR NEAR DUBLIN

Struck by a truck a mile this side of Dublin last Wednesday night a car driven by R. H. Been, of Oakland, accompanied by his wife and a boy, Lawrence Pierson, was hurled into the ditch along side the road and wrecked. The truck also was wrecked, and the driver, R. Benjamin of Turlock, suffered a broken pelvis bone.

The occupants of the car were badly shaken up, and Mrs. Anetta Been, wife of the driver, was thrown to the ground and rendered unconscious. She was picked up by passing drivers and rushed to a hospital, it is thought.

Lawrence Pierson suffered a cut knee, and with the truck driver and his sister and a niece who was riding with him on the truck, were treated at Judson hospital in Livermore.

Been, a disabled war veteran, lives at 1204 Market street, Oakland, and is employed by the Key System.

The injured people were taken to the hospital by Mike Hansen and Alan Bruce in the Odd Fellow's hospital ambulance.

When battery is discharged and the fault may lie in one of the following causes: generator not working properly, or working and charging at too low a rate; a grounded generator circuit; defective cutout will not close; third brush not set properly. An electrical expert should always be consulted for such trouble.

Geyserville—\$4,000 improvement being made to Geyserville Growers' plant.

EDDIE, THE AD MAN

WRITING ZIPPY ADS IS OUR SPECIALTY, SO WHEN YOU FEEL THE URGE TO BUST INTO OUR AD COLUMNS WITH A DOLLAR-PULLING AD, PHONE US, AND ME OR TH' BOSS OR, SOMEONE WILL BE RIGHT OVER! WHEN YOU NEED US, HOLLER!

State Fair Patrons Offered Low Rates

Reduced round trip rates to the California state fair, to be held at Sacramento August 31 to September 9, will go into effect Friday on practically all the principal rail and traction lines in the state. From Niles the Southern Pacific will sell the tickets for \$4.10, which is considerable less than the regular tariff. The tickets will be good in coaches going August 30, and the return date will include September 11.

It is estimated that customer owners of the gas industry, including those of combination gas and electric utilities, now total about 625,000.—American Gas Association.

Cunningham—Local school building being repaired and improved.

LEGAL NOTICES

NOTICE OF COMMISSIONER'S SALE OF REAL PROPERTY

NO. 92218

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF ALAMEDA.

Tilden Lumber and Mill Co., a corporation, Plaintiff, vs. Frank C. Anglus, et al., Defendants.

Under and by virtue of a Decree of Foreclosure and Sale and Writ of Execution and an Order of Sale issued thereon out of the Superior Court of the State of California in and for the County of Alameda, on the 12th day of August, A. D. 1929, in the above entitled action, wherein Tilden Lumber and Mill Co., a corporation, the above named plaintiff obtained a Judgment and Decree of Foreclosure and Sale against Frank C. Anglus, Manuel S. Duarte and Mary Duarte, sued herein as Jane Doe, defendants, on the 20th day of June, A. D. 1929, which said Judgment and Decree was on the 25th day of June, A. D. 1929, entered in Judgment Book 179 of said Court, at Page 223, I am commanded to sell:

All that certain real property lying and being in the Town of Newark, County of Alameda, State of California, and more particularly described as follows:

Being all of lot number sixteen (16) in block number six (6) (east of Southern Pacific Company's Railroad tracks), as said lot and block are laid down, delineated and so designated upon that certain map entitled, "Map of the Town of Newark, Alameda County, Cal.," surveyed by T. P. Wilson, C. E. 1876 and filed for record May 6, 1878, in the office of the county recorder of Alameda County.

Public notice is hereby given that on Monday, the 16th day of September, 1929, at ten o'clock A. M. of that day, in front of the Broadway entrance of the Court House of the County of Alameda, in the City of Oakland, County of Alameda, State of California, I will, in obedience to said Order of Sale and Decree of Foreclosure and Sale, sell the above described property, or so much thereof as may be necessary to raise sufficient money to satisfy said judgment, with interest and costs, etc., to the highest and best bidder,

The Newark Register

By JULIA RUSCHIN

Mr. and Mrs. G. S. Nisser and children, of San Antonio, Texas, are visiting here with Mr. and Mrs. N. D. Slevin.

Newark Grammar school opened on Monday with a record breaking attendance.

Billie Wyatt has returned from a two weeks' vacation spent in Los Angeles and Fresno.

Miss Augusta Martin left Monday for her home in Trenton, New Jersey, after spending six weeks with her sister, Mrs. James Reid. Miss Martin is a teacher in Columbia University in New York.

Mrs. Charles Cockfair had as dinner guests on Wednesday evening, Mr. and Mrs. M. H. Anderson and children and Jack Hafner, of Los Angeles.

Mrs. Antone Reviere is reported quite ill at her home here but it is hoped by her many friends that she will soon recover.

Mr. and Mrs. Louis Ruschin entertained twenty relatives and friends from San Francisco at their home on Sunday to an outdoor picnic and barbecue.

Mrs. C. S. Haley entertained about ten ladies at luncheon on Thursday. After refreshments they played bridge. At the close it was found that Mrs. Robie had won first prize; Mrs. Attwood, second, and Mrs. F. Brown, consolation.

"Baby Shower" Held For Marjorie Callow

Bluebird Club tendered a surprise "baby shower" to little Miss Marjorie Jeannette Callow on Tuesday evening. The evening was pleasantly spent in playing bridge after which delicious refreshments were served. Baby Marjorie Jeannette was presented with a sterling silver hammered baby cup by the club and also many other presents.

Those present were: Lida Francis, Violet Manley, Beatrice Miller, Frances Turnbow, Mildred Blacow, Margaret Laudenschlager, Julia Ruschin, Delphine Costa, Dorothy Gibson and Mabel Callow.

LACQUER SERVICE OFFERED

The new method of interior decorating by lacquer spray is now offered to Washington Township residents by a local concern. E. H. Hirsch of Irvington, through L. H. Hamilton, is offering this service.

Dr. E. M. Grimmer, of Irvington, is one of the persons to take advantage of the service. The lacquer service is highly advantageous over ordinary painting in that it does not cause the usual muss, and dries in about thirty minutes.

San Francisco—Hunter, Dulin & Company and Bond & Goodwin & Tucker, Inc., merged under the name of Tucker, Hunter Dulin & Company, with combined resources in excess of \$12,000,000.

Personal News Notes

Miss Carol Overaker, daughter of Mr. and Mrs. Charles B. Overaker, will leave next week for San Antonio, Tex., where she will spend the winter with her brother Charles Overaker and his wife. Mr. Overaker is a commissioned officer with the Army Aviation Corp.

Mrs. E. L. Chittenden is visiting her granddaughter, Mrs. Raymond Ingram at Gridley.

Mr. and Mrs. A. B. Moore and son Leroy, and Mr. Moore's parents, Mr. and Mrs. A. B. Moore, motored to Oakland Sunday afternoon. They were fortunate in procuring a fine view of the Graf Zeppelin as it soared over the bay cities.

Mrs. A. C. Garcia and daughter Fern, Marino Iacopi, Robert Duarte and Mrs. Mary Bettencourt and daughter spent Friday, Saturday and Sunday in Santa Cruz.

Mr. and Mrs. J. S. Dutra entertained Mr. and Mrs. Joe Caldeira of Oakland, Sunday.

The Harvey Braun family is now established in their new home on "I" street. They moved Wednesday into the house formerly occupied by J. L. Bunker, assistant superintendent of schools. Mr. Bunker now resides in Fruitvale, Oakland.

ALAMEDA COUNTY'S VALUES FEATURED AT STATE FAIR

Many Local Citizens Plan To Attend Exposition Next Week

As Washington Township citizens prepare to leave for the California Diamond Jubilee State Fair and Western Exposition which opens Saturday, many favorable reports of Alameda county's exhibits have trickled down from the state capital.

Fifty-five of California's fifty-eight counties will have displays in the great horticultural pavilion, and if word from Sacramento is to be depended upon, Alameda county will have one of the most striking. It has attracted much attention from pre-exposition visitors.

Appreciating the tremendous advertising value of the California state fair, the Alameda county board of supervisors authorized the construction of one of the most colossal exhibits ever attempted by the county.

The exhibit has as its background a huge map of Alameda county, showing principal railroads, highways, and mountains painted in relief, with illustrations of industry and agriculture in the various localities. The map portrays the county as a natural outlet for products of the Sacramento and San Joaquin valleys.

Alameda county took a special prize at last year's state fair. It promises to win even greater fame at the Diamond Jubilee this year where hundreds of thousands of visitors will view the display during the ten days of the exposition.

One of the many novel exhibits at the aircraft show in connection with the exposition will be directly interesting to Alameda county. This display will be a submarine airplane entered by the United States Naval Air Reserve, Oakland. It has a wing spread of only seventeen feet and when folded is carried easily in a submarine.

OFFICIAL STATE FAIR VISITORS TO LEAVE THIS WEEK

Members of the Alameda County Development commission were to go to Sacramento this week to inspect the exhibit at the state fair of Alameda county. Much effort has been spent in making this year's exhibit even better than that of last year when the display won a special prize.

Of especial interest to Washington Township will be the displays furnished by Mr. and Mrs. J. C. Shinn of Niles. They donated for exhibition purposes specimens of cork plant, exceptionally large "pound pears" and several varieties of nuts.

Harvey Braun of Niles, will make the trip to Sacramento as a member of the commission.

DECOTO C. OF C. MEETS

The regular bi-monthly meeting of the Decoto Chamber of Commerce will be held in the fire house Tuesday evening, September 3. Routine business and discussions will occupy the civic group.

Register printing the best.
